## **Survey of Problems and Issues to Explore thru the “Total Christ” paradigm:**

- What does it mean to be a Christian?
- How do I relate to a guy who died almost 2,000 years ago?
- Aren’t there so many different sorts of Christianities that it’s hopeless to believe we’ve found the one true one?
- What’s the point of church? If “being in a garage doesn’t make you a car”, does going to church make you a Christian?
- How do I know if God loves me?
- How can I bear the burden of being an evangelist all by myself?
- How do we interpret the Bible if there are so many different ways to interpret a book written over a span of thousands of years?
- What’s the point of elders and church government?
